

honor to recognize several of his accomplishments and good deeds.

Gordon is a third generation owner of Harbert Lumber Company located in Grand Junction. The company has served the community since 1937 and continues to provide quality products and service to the entire Western Slope of Colorado, Utah, and Wyoming. As an industry leader, Gordon serves on the Board of Directors of the Western Colorado Business Development Corp, and has created a new philanthropy role for Harbert Lumber business. In this role, the company has donated building materials and equipment to organizations such as Camp Kiwanis and

the Salvation Army for much needed improvements and renovations.

Gordon has also distinguished himself as a leader in the community by volunteering his time and efforts to several organizations in the area. He created and served as Chairman of the Western Slope Golf Tournament for over a decade, only recently stepping down to take on new responsibilities. He is a great supporter of the Young Life's Christian Outreach program, and served as Chairman of the local Kiwanis Club. Gordon has also been actively involved with Mesa Developmental Services by providing woodworking equipment to create products for the organization to promote and sell in his store and to the community.

Mr. Speaker, Gordon Harbert's dedication led to his recognition in 1996 as Citizen of the Year by the Chamber of Commerce acknowledging his dedication to his employees, his community, and friends. It is now my honor to congratulate Gordon on his most recent and well-deserved award from the industry community, Lumberman of the Year, presented by the Mountain States Lumber and Building Material Dealers Association. Gordon has been a model citizen to the community and I extend my thanks to him for his efforts. Keep up the hard work Gordon and good luck in your future endeavors.
